

The Woodward School for Girls

2026-2027 Classroom Materials and Technology List

Suggested Technology

- Below, you will find a variety of our recommended technologies for your student to be successful at The Woodward School, paying close attention to a balance of cost and longevity. All Woodward families are welcome to send an Email to our IT Department at support@thewoodwardschool.org should you have any questions regarding technology.
- We can also lend a windows laptop for the year to any student.
