

YOUR PATH TO WOODWARD

Our Step by Step Guide

1

INQUIRE

We'd love to hear from you. Call us, email us, or even drop in for a visit! However you choose to reach out, we're eager to connect. Let us know when you'd like to schedule a tour or if you can join us for an upcoming admissions event. Once we connect, we can send you information tailored to your interests and guide you through the next steps of your application.

VISIT WOODWARD

We're conveniently located right off the Red Line in downtown Quincy, making it easy to reach us. Throughout the year, we offer tours and host admissions events where you can meet our dedicated teachers and some of our incredible students. Look out for our special Open Houses in the Fall for an even more in depth look at what Woodward has to offer.

2

SHADOW DAY & INTERVIEWS

3

As you gather your application documents and recommendations, we'll schedule a Shadow Day for the student. This day is a wonderful opportunity for us to get to know you, and for you to experience life at Woodward firsthand. At some point during the day, our Director of Enrollment will check in to see how things are going, learn more about your current school, and what draws you to Woodward.

Your family will also be invited for an interview with our Director of Enrollment that same morning or afternoon. This is a chance for them to share more about you and for everyone to learn more about the Woodward experience.

APPLY

The Woodward School uses Ravenna, a convenient web-based platform, for all online application submissions. Ravenna allows you to easily apply, track your application's status, and upload necessary documents. Teachers and schools will receive prompts through Ravenna to submit their recommendations electronically. We recommend giving your teachers and faculty a heads-up that we'll be requesting recommendations to ensure they're completed promptly.

Requirements

- Academic records from your daughter's previous school from the current year and prior two school years
- Teacher recommendations (Math and English) from current school
- Additional recommendation (Ex: coach, tutor, other teacher, etc)
- School visit- Shadow Day
- Parent and student statements

Recommended / Optional

Woodward has decided to make Standardized Tests optional this year, however, if you have taken either test, ISEE (Middle School) or SSAT (Upper School), please send us your results.

Begin Your Application

Go to Ravenna and create an account. Make sure to create your account using an email address you will have access to throughout the admission season as this will be your primary email contact with our school. Find The Woodward School in the Ravenna School Directory. Ravenna will then generate an account for your daughter where you can continue to create their profile. From here on, you will be able to see each step required in the admissions process, including completing the application. You will be able to monitor your daughter's admissions file and the items required to complete their application.

DECISION & ENROLLMENT

Once everything is submitted, shadow days and interviews are done, our team meet and review your file, to make sure Woodward is the best choice for you. Depending on when you apply to Woodward, we may have a decision ready for you rather quickly! No matter the decision, our Director of Enrollment calls each family to let them know the outcome.

After you are accepted you will get the chance to enroll at Woodward and the Director of Enrollment will help your family through that process. Once you are enrolled, you are officially a Woodward Wildcat!

Important Dates to Know for This Year:

January 15, 2026 – Application Deadline for Priority Consideration

January 31, 2026 – Application Deadline for Financial Aid

March 6, 2026 – The Admission Decision Date for Priority Applicants

*Applications will be considered after priority deadlines as space allows.

READY TO GET STARTED? NOW IS THE PERFECT TIME TO APPLY!
