

Summer at Woodward

Leadership in Training (LiT) Program Description

Looking to build confidence, develop leadership skills, and make lasting friendships this summer? Our Leadership in Training (LiT) program at the Woodward Summer Program is designed for upper school students at the Woodward School for Girls who want to grow as leaders while making a meaningful impact in their community.

Over the course of three weeks, LiTs will:

- Gain hands-on leadership experience by planning and leading activities for younger campers.
- Strengthen their communication and teamwork skills through engaging challenges and group projects.
- Take exciting field trips, like a high ropes course, to push their limits and grow as leaders.
- Participate in dynamic team-building activities that foster collaboration, problem-solving, and confidence.
- Earn their CPR certification and gain valuable community service hours (36 hours).

This program is perfect for Woodward students looking to step up as role models, build their resumes, and create unforgettable summer memories. Join us and take the first step toward becoming a leader—at camp and beyond!

*The LiT Program requires a minimum commitment of 3 consecutive weeks between June 26 and August 1, 2025 with the exception of the week of July 4th. The program tuition is \$230/week, which includes lunch, all field trips, and CPR certification.
